- NW is holding an E-course Jan. 19th.
- NW has created a committee of people who will be taking a course for referee licensing. We will fall under that licensing. Each club will have its own pool of referees. Every coach will have to fill out referee forms after each game and submit it to the assigning committee. We will need to get a list of potential referees. A course is being offered in March by USSF. Referees must be at least 14 years of age.
- Gina suggested we create flyers for high school players to referee.

Report of PeeWee/Instructional Representatives

- Larry has spoken to a few people in regards to volunteering as co-rep.

Old Business

- The only person to put together teams is Rich Russell. Coaches are not to make any promises or guarantees to any player or parent. If a parent wants a child off a team they must write a formal letter to Rich. Parents may also make request. As a club we can not make any guarantee that the request will be met. All players must register at one of the registration dates. Coaches can not collect checks. The fees must be paid to Don before a player card is released.
- Ron asked if a coach wants a player off their team can they make the request to have that player moved. Glenn stated if there is a problem it is the coaches responsibility to address the issue with the parents. If needed Rich they can contact Rich for assistance.
- The board is still looking for a Field Manager and a Co-Instructional/PeeWee Representative.

New Business

- A Module 2 course will be held in March at the Elks Club.
- There will be professional trainers to work with players in the spring.
