

1. *NW---You must practice on your designated practice field and at the designated time.*
2. *NW has priority over in house teams **IF** the NW team practices at its designated time and location. If you change practice times and/or locations, a NW team cannot kick an in-house team off of the practice field! It is first come, first serve basis. The in house teams will be given access to the schedule so that they know what fields are open and when.*
3. *Since St. Mary's can't be used to practice until after Western Days is over, please be considerate and share practice space with other NW teams until that time.*
4. *There is going to be an extra field set up at St. Mary's. This is being set up as a courtesy to and is for use only by the St. Mary's CYO program. We will check with the St. Mary's CYO program to see if there are any open days or times that in house programs can use the field but until it is determined that field is off limits.*
5. *In house teams try to be considerate and share practice fields/goals when possible. There are not enough practice times/goals for all in house teams to be able to use a full field with goals at every practice.*

## St. Mary's

Division	Coach	Day	Field	Time
XXXX	XXXX	Monday	A	Open
XXXX	XXXX	Monday	B	Open
XXXX	XXXX	Monday	C	Open
